PDX22 Executive Podium

PDX22

Model PDX22 Executive Multimedia Podium

VFI roll about executive multimedia podiums are the ideal solution for distance education, electronic classrooms and corporate training sites. Model PDX22 features a large customizable top surface to support monitors, laptops and room control systems. It also boasts a retractable, drop-front keyboard slide, front and rear interior access with security locks and ample interior storage for additional electronic equipment. This includes 12 RUs for mounting electronics, a tower pc space and one large shelf for accessories or paperwork. This podium is shipped fully assembled to save your staff time during installation. Finished with a highly resistant black thermowrap top and your choice of thermowrap color. For an elegant and functional podium at a great price specify VFI.

Standard Features Include:

- Machined MDF with thermowrap finish
- Highly resistant surface surf(x)
- Customizable electronic pods with multiple configuration options to suit your interface requirements
- 2 rear doors with innovative hidden locks for easy access to equipment from audience side as well as a locking front door and keyboard door
- Interior space with 12 rack units (10-32 screws), tower PC compartment, large shelf and cooling fan
- 4" heavy duty casters (2 locking)
- Ships fully assembled
